

EME PHYSIO PRESSO IR VACUUM TERAPIJOS PRIETAISAI

Eil. Nr.	Kodas Modelis	Aprašymas
1.	 PR1382– Pressomed Evo (Prestige Line)	<p>Generator with built-in trolley for pressure therapy, peristaltic sectorial massage for venous and lymphatic drainage, 12 sectors – regulation of pressure independently for each sector - Tester to check pressure in each sector. 8” touch screen display – stored protocols – memory for customizable protocols – smart card.</p> <p>GENERATOR ONLY</p> <p>Included standard accessories: n°1 USB n°1 power cable n°2 fuses n°1 user manual in DVD</p>
2.	 PR1380 – Pressomed 2900 PR1380/110 – Pressomed 2900 110V (Prestige line)	<p>Generator with built-in trolley for pressure therapy, peristaltic sectorial massage for venous and lymphatic drainage, 9 sectors – regulation of pressure independently for each sector - Tester to check pressure in each sector. Colour graphic display (320x240 pixels) with Touch&Scroll function – stored protocols – memory for over 200 new protocols – smart card.</p> <p>GENERATOR ONLY</p> <p>Included standard accessories: n°1 smart card n°1 power cable n°2 fuses n°1 user manual in DVD</p>
3.	 PR1381 – Pressomed 707KP (Prestige Line)	<p>Portable generator for pressure therapy, peristaltic sectorial massage for venous and lymphatic drainage, 7 sectors – regulation of pressure independently for each sector - Tester to check pressure in each sector. 6” touch screen display – stored protocols – memory for customizable protocols – smart card.</p> <p>GENERATOR and KIT POINT GC7B</p> <p>Included standard accessories: n° 1 7 sector GC7B Kit point n°1 smart card n°1 user manual in DVD</p>
4.	 ACC536 – GC9	<p>Kit point for lower limbs (9 sectors)</p>
5.	 ACC334 – GC9/S	<p>Kit point for lower limbs (9 sectors) with separate foot sectors cover</p>
6.	 ACC534 - GC7B	<p>Kit point for lower limbs (7 sectors) only for Pressomed 707KP</p>

7.	 ACC533 – BC7/PRO	Kit point for one upper limb (composed of one professional arm sleeve) with 7 sectors
8.	 ACC535 – BC5x2	Kit point for upper limbs (composed of 2 arm sleeves) with 5 sectors
9.	 ACC810	kit point for lower limb 12 independent sectors
10.	ACC606	Pack of 10 patient smart cards
SCIENTIFIC AND MARKETING DOCUMENTATION		
11.	ACCM01	“Manuale clinico di terapia fisica” by Dr. Aldo Vasta in Italian (5 copies, net price)
12.	ACCM02	“Clinical Manual Of Physical Therapy” by Dr. Aldo Vasta in English (5 copies, net price)
13.	ACCM04	User manual in paper version
14.	ACCM23	Poster “PRESSOMED”
15.	 VU1392 – Vacuumed VU1392/110 – Vacuumed 110V (Prestige line)	Equipment for vacuum therapy <ul style="list-style-type: none"> • 2 output channels • Suction cups with automatic closing • Regulation of the depression and suction frequency • Self-adjusting vacuum circuit with automatic pump switch-off • Suction: 0 - 0,6 Bar • Frequency: 10 – 100 pulses / minute Included standard accessories: n°4 vacuum cups ø 60 mm n°8 vacuum sponges ø 60 mm n°2 red/white vacuum output cables n°2 black/blue vacuum output cables n°1 link cable for combined use with electrotherapy n°1 short output cable, 20 cm long n°1 power cable n°2 fuses n°1 user manual in DVD
16.	ACC913	Vacuum cups ø 30 mm (2 pcs.)
17.	ACC695	Vacuum cups ø 60 mm (2 pcs.)
18.	ACC914	Vacuum cups ø 90 mm (2 pcs.)
19.	ACC915	Sponges for vacuum cups ø 30 mm (4 pcs.)
20.	ACC621	Sponges for vacuum cups ø 60 mm (4 pcs.)
21.	ACC916	Sponges for vacuum cups ø 90 mm (4 pcs.)
22.	ACC696	Vacuum output cable (1 pc.)
23.	ACC699	Short output cable, 20 cm long
24.	ACC697	Link cable for combined use with electrotherapy
