

LIGONINÈS LOVOS

1.

WERSA Ligoninès lova

Total length, mm 2160

Total width, mm 970

Total bed length (with mattress), mm 2000

Total bed width (with mattress), mm 850

Recommended dimensions of the mattress (width x length x height), mm 850x2000x100,
800x2000x100

Pallet's height max (without mattress), mm 830

Pallet's height min, mm 430

Trendelenburg position, (degrees) ° 20

Reverse trendelenburg position, (degrees) ° 20

Back rest segment inclination angle up, (degrees) ° 70

Thigh rest segment inclination angle up, (degrees) ° 35

Thigh rest segment inclination shank up, (degrees) ° 20

Back rest autoregress, mm 110

Permissible load, kg 250

Castor's diameter, mm 125

2.

LP-01.4 Ligoninès lova

Total length, mm 2160

Total width, mm 970

Total bed length (with mattress), mm 2000

Total bed width (with mattress), mm 850

Recommended dimensions of the mattress (width x length x height), mm 850x2000x100,
800x2000x100

Pallet height, mm 500

Back rest angle inclination, (degrees) ° 70

Thigh rest segment inclination angle up, (degrees) ° 36
Thigh rest segment inclination shank up, (degrees) ° 20
Back rest autoregress, mm 110
Permissible load, kg 200
Castor's diameter, mm 125

3.

LP-01.3 Ligoninès lova

Total length, mm 2160
Total width, mm 970
Total bed length (with mattress), mm 2000
Total bed width (with mattress), mm 850
Recommended dimensions of the mattress (width x length x height), mm 850x2000x100,
800x2000x100
Pallet height, mm 500
Back rest angle inclination, (degrees) ° 70
Back rest autoregress, mm 110
Permissible load, kg 200
Castor's diameter, mm 125

4.

LP-01.2 Ligoninès lova

Total length, mm 2160
Total width, mm 970
Total bed length (with mattress), mm 2000
Total bed width (with mattress), mm 850
Recommended dimensions of the mattress (width x length x height), mm 850x2000x100,
800x2000x100
Pallet height, mm 500
Back rest angle inclination, (degrees) ° 70
Permissible load, kg 200
Castor's diameter, mm 125
